Documents you may receive

Before you invest in a financial product you will receive a Product Disclosure Statement (PDS) or other disclosure document issued by the product provider. It contains information about the product, including risks, benefits, features and fees payable. It is designed to help you make an informed decision about whether to invest.

If you receive personal financial advice from us you will be given a Statement of Advice (SoA). Personal financial advice takes into account your financial objectives, financial situation and financial needs. It includes the basis on which the advice is given and other relevant information such as fees and commissions.

If further advice is provided, a Record of Advice (RoA) will be prepared. If this is not the case, you may request a copy by contacting us. You are entitled to do this for a period of seven years from when the further advice was first provided to you.

How to instruct us

We will work with you to complete a 'Client Profile' which summarises your situation. We then create an SoA for you to consider and sign to acknowledge your agreement with the strategies and activities contained in our advice.

Advice Preparation Fees

We believe in a simple and transparent fee structure. The fees you pay to Yellow Brick Road Wealth Management will be determined by the service you select, the complexity of the advice and specific products you purchase.

There may be a fee for the preparation of your SoA. Fees may vary according to the complexity and scope of advice provided, with the exact fee disclosed prior to preparation.

Ongoing Advice/Service Fees

We may also charge an ongoing service fee for all personal investment advice given. The cost will depend on the agreement between you and your Wealth Manager. Before any work is undertaken, this fee and the payment options are provided in the SoA.

Life Insurance

Ongoing and upfront commissions may be received by Yellow Brick Road Wealth Management and your Wealth Manager for life insurance policies. These fees are based on commission rates which are currently up to 130% of the initial premium paid. This amount is paid by the insurance company and is not an additional cost to you. This is calculated as a percentage of the annual premium paid. Depending on the insurance company, an ongoing commission of up to 30% may be payable. Details will be set out in the SoA provided.

Managed funds

Yellow Brick Road Wealth Management does not accept upfront commissions from managed fund investments for managed funds.
